    - Jasper: "I have everything either in the office or in my home for earth week and im very excited. Monday is plant pot painting and I have a plethora of plants for people to pick from, Tuesday is bird feeder making and watching the big year!! Very bird very fun. Wednesday is compost in a jar everyone gets to see my kitchen scraps. Thursday is student plant removal!! Come out to the woods and remove some ivy with me. Friday is my environment fair, where I am hoping to not have a Willy Wonka experience but am not sure that I wont."
